## SUMMARY

---

Compassionate and idealistic professional with a strong sense of integrity and a deep commitment to helping others. Known for thoughtful decision-making, visionary problem-solving, and a principled approach to both personal and professional life. Driven by a desire to make a meaningful difference, I bring a blend of empathy, creativity, and conscientiousness to every project. Focused on fulfilling both individual and collective potential, I am dedicated to making an impact through thoughtful, values-driven work.

## CAREER OBJECTIVE

---

Motivated full-stack developer pursuing MCA at Noida International University, proficient in React.js, Java, and SQL. Passionate about building scalable applications and optimizing system performance. Seeking opportunities to apply my skills in a dynamic environment and contribute to impactful projects.
